TE would respectfully call the attention of Property Holders to our new plan of perpetual Insurance, adopted by one of our best Companies. This system combines superior cheapness and safety, reducing the rates on first class property from 40 to 60 per cent., and the holder of a perpetual policy can never be subject to loss by neglecting to renew. This mode of insurance is especially adapted to Dwellings, Barns, Churches and School Houses, covering not only the buildings, but their contents, such as Furniture, Hay, Grain, Live Stock, etc.
